The Homes and Retreats of The Masters of Wisdom

DARJEELING—INDIA

February 15th through March 14, 1954

The Master Morya is the Great Spiritual Hierarch of the Brothers of the Diamond Heart, whose activity and service to life is the guarding and protecting of spiritual foci which have been created as heart centers of World movements, religions, political eras of great progress, and generally with protecting whatever specific God ideas will benefit the race and hasten its evolution and development.

As the Chohan of the First Ray, it is His particular responsibility to receive from the mind of God those spiritual "seeds" which might be developed (through the voluntary contribution of the energies of some intelligence interested in such ideas) into a workable and practical form which is of blessing and benefit to the race.

From the First Sphere, the Master Morya and the Brothers of the Diamond Heart, direct these God ideas into the receptive consciousness of Angels, Masters, Devas, men, elementals, as well as into the atmosphere of all the Seven Great Spheres that form the aura of God. When any individualized intelligence accepts such an idea and claims it as his own, offering the energies of his own thought, feeling and outer self to the development of that idea, a Diamond Heart is builded around the original seed or idea to protect and sustain it until the individual intelligence can nurture and develop it into workable form. This is the service of The Brotherhood of the Diamond Heart, and They have Their

BEAUTIFUL KWAN YIN

Verse 1

There comes to my heart one sweet Name—
The blessing of Mercy's love Flame—
I sing it again and again—
Kwan Yin, the gift of God's love.

CHORUS

Kwan Yin! Kwan Yin!
Goddess of Mercy above;
O! beautiful, lovely Kwan Yin—
God's Flame of merciful Love.

Verse 2

Her Mercy of Love is Divine—
To Her doubts and fears I resign;
I claim Her forgiveness as mine—
So help me—blessed Kwan Yin!

Verse 3

Her Mercy of Love is so sweet—
It makes the soul's victory complete;
It brings all the world to Her feet—
Kwan Yin, the Mercy of Love.

Hymn tune: "Sweet Peace, the Gift of God's Love" (sometimes indexed in hymnals under first line of verse "There comes to my heart one sweet strain. . . .").

ADDRESS BY

BELOVED KWAN YIN

August 1953

May the Peace of God be upon this household! May the Love of God be in your hearts. May the Light of God be in your souls! May the Wisdom of God be in your minds! May the Virtue and Purity of God be in your feelings! May the Strength and Vitality of God be among the members of your household! May the Health and Well-Being of God be manifest through the bodies, the garments which you wear! May the Grace of God be in your worship! May the Talents and Genius of God be manifest through your senses! May the fullness of the Victory of your own God Plan be manifest through your souls at the close of your earth life!

It seems but yesterday that this blessing issued forth from Our hearts as We moved from city to city in the great, exquisite Golden Age when the people of China knew such mastery and dignity and peace. At that time I, together with the twelve ladies of My Court, once each year proceeded through the larger cities of China and in one of the local temples within the city, gave audience to the members of every household, and conveyed the twelve-fold Blessings representative of the very Nature of Divinity into the consciousness of My people. Then, retiring again into our glorious Retreat at Peiping, We gave audience throughout the year to those people, not only from China, but from all over the known world who chose to bathe in the Virtue of Mercy; who chose to absorb into their own life essence this one facet of Divinity. In the heart of that glorious, sacred Shrine and Sanctuary of Mercy and Compassion, the twelve Temples representative of the Nature of God continue to pour out the Sacred Fire and Flame so that any heart, any soul, desiring to partake of that Nature, entering within those temples, might find itself filled, renewed and enabled to return again to its appointed tasks in its own individual orbit, blessed by that Spirit of qualified God Life. I long for the day which is to come again, when I shall be invited and joyously accepted within the homes and the hearts of all people. I long for the day when China shall again manifest the perfection which she once knew, and take her rightful place among those nations that will endure through all eternity.

Again as We visit your homes, it begins a new pulsation in carrying the blessings of the Sacred Fire into the orbit of lifestreams who choose to invite Us. Though at first the numbers be few, the pulsation thus begun shall intensify and increase in the days and years ahead until it will become the general custom again to invite and welcome the Ladies of the Kingdom Who carry within the compass of Their Light Bodies those particular virtues and feelings

which are required to make every man, woman and child of God, Master in Grace, in Humility and in Love!

The long journey through the earth's evolution is about to draw to its close. The shroud of earth's pain and agony is being transmuted now into garments of transcendently beautiful Light. Those of Us Who have chosen to weave one thread into that glorious pattern are joyously and gratefully filled with anticipation, because all the ages of watchful waiting will soon reveal that patience has had its full reward in a complete evolution of God matured individuals.

In the very first age when the mankind of earth took up their evolution upon the planet earth, you have been told that Guardian Spirits came from other planets who chose to join with the children of earth and give the strength of their own God maturity to that childlike evolution during the period of growth, expansion and unfoldment. These Guardian Spirits came from Venus, from Uranus, from the shining orb of Mercury, and from other stars. Some were already Free—Ascended God Beings in their own evolution, like the Mighty Sanat Kumara, the Great Archangel Michael, and the Beloved Manus.

Others were highly developed, God matured individuals who were yet working out their destiny in great harmony on the planet which was their own cradle of evolution, but who had not yet completed the process of their own Ascension; yet they chose to come and join the plodding evolution of the earth, and to endeavor to complete their own evolution and Ascension through the density of earth's birth and rebirth cycles. Thus, these Guardian Spirits—some already assured in freedom and others working out their evolution with the mankind whom they chose to guard and serve—walked together in light, harmony and peace in the era before the effluvia of the creation of the laggards of the system shut away the light and perfection of Heaven.

May I remind you of the tremendous sacrifice entailed by those beautiful Guardian Spirits who were not yet fully free and ascended in their own evolution, but who in order to better serve the race already blanketed under the maya of human creation, were required to take upon themselves garments vibrating at a rate similar to the evolution they served? They had to tie themselves into the wheel of birth and death with the hope that they might retain through their consciousness a connection with their own Divinity, their own evolution, and whatever God directed Beings chose to hold the Focus of Light for them in the Realms of Eternal Light.

Some of Us remained in bodies of Light, choosing not to take garments of earth, and some, dear to us beyond earth's reckoning, chose to enter garments of flesh hoping to hold connection with Us through the veil. Thus came the first parting, the first separation.

with only the Light of the heart and intuition of the spirit enabling the incarnate one to remember those of Us Who remained in bodies of Light, one with Our Source. The centuries have sped by and those incarnate Guardian Spirits walking with the people of earth but yet presently so enmeshed in their karma that they do not remember their own evolution and their own Spiritual Source, are again raising their heads and hearts, and sensing intuitively that they belong, each one, to a great and perfect Scheme of evolutionary life. To them and to you who are among them, We come first—Blessed be your hearts for having taken the harder road, having come into flesh garments. I think that often those of Us Who remained in bodies of Light and Who did not taste of the appetites and passions of the senses, have chosen by far the easier road. It is for this reason that Our patience has been so eternal through the centuries, because We know and sense that the very imprisonment which you have endured, was accepted for Love's sweet sake!

Looking upon the Light in your hearts and seeing the glorious pattern of your electrons as they flow from your Celestial Electronic Body, I am grateful beyond words to see so much beauty externalized in the natural flow of your own life.

Dear people, if you could see the beauty in the flow of the energy into your lifestreams from your Presence, if you could see those electrons flowing forth unqualified by your human creation to enrich the earth, you would never again clothe them through thought or feeling with anything which would dim the Light, the beauty, and the fragrance of their natural expression. It is such a beautiful sight when you see life externalized through the human form in its own natural harmony, its perfume, and its music. This is the way in which each man was intended to unfold that portion and part of the Divine Plan which he, alone, through his own heart beat, is destined to externalize.

It has been My privilege this year to sit on the Throne, as Spokesman for the Lords of Karma. This Great Office which has been held by My Beloved Sister, the Goddess of Liberty, through century after century of time, has been entrusted to Me in an endeavor to secure from the Cosmic Law certain dispensations of mercy which will allow mankind greater ease in walking forward upon Life's Pathway into freedom and perfection. In this office, I am grateful to say that the Great Lords of Karma and the Law of Life Itself, are allowing Us, through the use of the Sacred Fire, to melt away those accumulations of the Guardian Spirits with much greater intensity than has ever been allowed since the Third Golden Age when Lemuria opened the doors to the laggards of this system.

As the Beloved Maha Chohan has offered through the Transmission Flame Classes to anchor the Sacred Fire through the heart flames of the students, so have I offered to anchor My full gathered Cosmic momentum of Mercy and Compassion, through the use of the Violet Flame into those hearts that choose to call to Me for Mercy. Mercy, dear hearts, and Compassion too, are the most positive and powerful of the Gifts and Nature of God, for it takes a strong man and a strong woman to give complete forgiveness to any part of life which has injured them. It is the weak nature that nurtures grievances. It is the strong that, in deep sincere feeling, can melt away from their own feelings a sense of injustice or wrong and can then, in intense love and devotion, direct that Flame of Compassion into the generative center which has inflicted that wrong. It is through the strong and merciful that I shall endeavor to balance the debts to life and light in these days and years that are yet ahead.

As the half-yearly Council has closed (July 1953), and as we face the final six months of this great and decisive year, I AM eagerly seeking hearts, souls and spirits who desire to experience the Flame of Compassion and Mercy as a COSMIC FEELING through their own feeling worlds. Through these I shall endeavor to give that happy experience which loving forgiveness brings. I am hoping that among your hearts I may find such anchorage, and that you may actively and positively, when opportunity presents itself in your personal lives and experiences, call for that Flame of Compassion from My Heart and let It flow freely to give that peace and ease to imprisoned life.

We have sat around the Great Conference Tables and spoken of these experimental groups in the various sections of the country. Where the Beloved Brother Saint Germain chose to focus the Cherubic Host in an endeavor to re-establish a Brotherhood between Angels and men, We watch with great interest the kindly concern and love poured out by the student body to those members of the Angelic Kingdom who live within their auras, and who have for the most part, grown and expanded in their Light during the short time They have chosen to abide within the students' individual orbits.

We look with interest, too, at the groups established to bless the Elemental Kingdom, and We see as the elemental beings enjoy the harmony and the happiness of that association, that We have a good foundation for the establishment of a Brotherhood among the three Kingdoms which have evolved, although closely dependent upon each other, yet with but very little sympathy through the past—the Angelic, the human and the elemental evolutions.

One day, as the veil thins and with your physical sight, you

may see the Members of these Inner Kingdoms, it will then be a joy to work with Them in bringing to fruition the Golden Age. Those of you who have worked through the veil, deserve the commendation of the Elemental Kingdom, and the Cherubic, Seraphic, Devic and Angelic Hosts as well as the Cosmic Beings and the Ascended Masters, for your faith and for your constancy of purpose. You know it is much more blessed to render that service when you cannot see the full release that is set into motion through your application, than when you have the encouragement which the perceptive inner sight and hearing charge into the feeling world as the veil is removed.

May I offer you the Blessings of Beloved Mary, the Blessed Nada and Leto, and of those Great Sisters of Light Who represent the Cosmic Virtues—the Goddess of Truth, the Goddess of Light, the Goddess of Justice, the Goddess of Liberty, the Great Goddess of Purity, and all the other members who represent the Feminine Aspect of Divinity.

We come now into close association with mankind through the intellectual consciousness at this time; but as the great activity of the Maha Chohan, as Representative of the Holy Spirit working through the Master Saint Germain in the New Age, is directly concerned with the FEELING NATURE, then more and more will We come to the foreground and offer Our Qualities, not only to the women, but to the gentle men of the race, and as our Qualities are absorbed and woven into the nature of the individual, We shall see God Mastery, God Balance, and God Maturity between the feminine and the masculine aspects of the one lifestream.

I have endeavored for many, many centuries to raise and redeem the consciousness of the women of the race who, because of the mass pressures and accumulations of human creation in the world, have fallen below the moral standards which form the natural activity of the feminine aspect of life. There shall come a day in the near future when Temples of Mercy and Compassion will be established in the physical octave of earth through which the women of the race may be again restored to the diginity which they knew in those early Golden Ages.

May I bless your hearts and souls, and thank you for inviting Us into your presence. May I ask that whenever the opportunity affords itself, you may encourage the children of earth to invite Us into their homes, their hearts, their feelings, for thus We set up the momentum and avail Ourseves of the opportunity to bring the Blessings which are Our Gifts to Life, into your world and your experience.

I thank you.

KWAN YIN

DARJEELING—INDIA

(*Continued from page* 1)

Focus in the physical world at the beautiful Home of the Beloved Morya in Darjeeling, India.

From this Center, They are able to supervise the development and maturing of God ideas in all avenues of constructive endeavor and to hold the spiritual focus of the Diamond Heart around the consciousness of those who have volunteered to develop some portion of God's Will for the blessings of the race.

As the Beloved Mother Mary is directly concerned with the Angel Devas and Builders of Form who create new tabernacles for the souls of incarnating lifestreams, Her service to life is the creation of the Sacred Heart which is the chalice created to shelter the Unfed Flame of Life which forms the life and divinity within the soul. You will see that as the Master Morya and His Brotherhood create out of universal light a living Diamond Heart to enfold and protect new ventures, endeavors, movements, crusades, and world orders, and the Beloved Mother Mary creates the Sacred Heart to enfold the Unfed Flame of the lifestream, that both Our Co-sponsors for 1954 are well represented by the Divine Thought Form for the year.

God's Will is the delight of the Beloved Morya, and the externalizing of that Will through the cooperative endeavors of incarnate lifestreams fills His Heart with great happiness. As He often says "I Am a man of action," so does His Being vibrate with those chelas who are willing to couple their professed interest in the work of the Hierarchy with the practical investment of their energies, talents, enthusiasms, and cooperative endeavors in externalizing *that Will—every moment!* To all who, grasping even the slightest portion of the vision, are willing to "roll up their sleeves" (to quote our Illustrious Master) and help to promote the understanding of the Divine Will and the part the Spiritual Hierarchy play in developing that Will through their own dedicated energies, the Master Morya will send a Representative of His Lodge and enfold the individual, the design or idea which such an one has received, and the consciousness that nurtures it, within a blazing Diamond Heart. This is a protection from the disintegrating forces of doubt, fear and uncertainty that rise within the consciousness of unascended beings as well as the myriad powers of disintegration that flow through the lower atmosphere and consciously or unconsciously attempt to dissolve any good design, plan, vision idea or inspiration before it can be developed and released for the benefit of the race. (Editor's Note—See "Bridge to Freedom," April 1953, for description of Retreat at Darjeeling.)

EXCERPTS OF AN ADDRESS BY THE

BELOVED MAHA CHOHAN

1946

We spent some time going over the glory of early China. Every one in that Empire was as consciously aware of the Presence as the man of today is aware of his hands and feet, and in that beautiful and simple living, each lifestream contributed marvelous talents, glories to the race as a whole, and Beauty was literally spilled from the laps of the Gods through the consciousness of that awakened race.

The China of today is in the throes of a great new birth which cannot yet be perceived by the eyes of man. Within that nation a great Spirit is unfolding in a remarkable way. He will render a great service to the people of the future, of which many awakened souls in the East are already aware.

Never forget your calls for this nation and to ask that the strong spiritual egos who have incarnated in China be protected until they come to manhood and womanhood from every demoralizing force that still swings over them in the atmosphere of that land.

The Beloved Astrea and Lord Michael and the purifying Hosts from God's Legions can well be called into action to remove the blanket of iniquity that holds inert the Mighty Spirit of China.

She has yet a great service to fulfill to the planet earth—there are riches within the heart of her mountains that will do much to add to the beauty of the nation.

There is exquisite Perfection in the etheric records of the lifestreams of China's great which must be drawn forth as the great final Perfection manifests throughout the planet earth, which will blend with the strength of the West in bringing the Beauty of the Higher Realms into the temples, the homes and the garments of the people.

The sweetness of China, like the essence of the rose and the lily, is hidden deep within the heart of the nation and the flower will not unfold until the pestilence is removed which seems to hold the bud within its vise-like grasp.

NOTICE

Beginning with Volume III, No. 1 (the April 1954 issue of "The Bridge") the material for the Transmission of the Flame classes will be published monthly for the blessing of all. We find this necessary at this time because of the rapidly growing interest in this transcendent service.—The Manager.

THE MASTERS OF WISDOM SPEAK

MAHA CHOHAN

Much has been written about the Holy Spirit, and yet a full understanding of the "Essence of the Holy Spirit" has not yet been set forth. The HOLY SPIRIT is a radiation of the Power of Divine Love; the highest vibratory action that can be achieved by any lifestream in any system of worlds. It is the natural expression of the Godhead and every Perfected Being who dwells within the Heart of Eternal Life. To be embued with the HOLY SPIRIT is not to receive a foreign power into one's life but to raise the vibratory action of one's lifestream to a point where the Life Principle of that Lifestream exudes the Essence which has been qualified as the Power of the HOLY SPIRIT.

EL MORYA

BROTHERHOOD is one-ness. One-ness is God-ness. When any member of My Household considers any part of life apart from him, he leaves the consciousness of the Holy Spirit and in *that act of mind* becomes again a creature of maya—the screen of falsehood that reflects many selves—one superimposed upon the other.

KUTHUMI

I wish to give you the prompting that always by the side of the earnest seeker will stand a Brother or Sister of the Golden Robe if you choose to invite Him; and as you proceed into an understanding of the Voice of the Silence, that which makes you humble, that which makes you selfless, that which makes you loving, that which makes you pure, that which makes you harmonious is of God. The feelings that stir within your heart that desire to make of this star a planet of Light, to relieve the burden of your fellow man, to raise those in pain and distress into understanding and harmony . . . that is of Light. That which decreases the personality and increases the power of the Christ . . . *that is of God!*

PAUL—THE VENETIAN MASTER

The necessity for quieting the vibratory action of the inner bodies cannot be over-emphasized to the student intent upon rising above the consciousness of the outer self. The rapid and erratic motion of the various vehicles through which the soul functions makes it almost impossible for the clear, concise, directions of The Presence to anchor into the consciousness with sufficient intensity to promote action of a constructive nature that is consistent and permanent. You have all had the experience of trying to make yourself heard over the babble of voices in a large room. This is the position of the Christ self, awaiting courteously, opportunity to reach the outer mind and enable the personal self to cooperate with the fulfillment of the Divine Plan of that one's being. The stilling of the mind, the feelings and the physical body, even for a few moments several times a day, is a commendable practice for the aspirant toward Mastery.

SERAPIS BEY

When an Opera is sung, the Quality which is its predominant theme is greatly amplified by the Music Temples and their Attendants, and from the central focus where such music is presented, Angel Devas and Cherubic and Seraphic Hosts carry the Rays of that opera into the city, state, nation and earth. Great buildings that have housed the Musical Genius of the Race are, of course, over-shadowed by Devas and Builders of Form, who co-operate with the officiating Cosmic Temple in this service.

HILARION

The Devic Kingdom and Planetary System created from the Heart of God is held within the aura of the Solar Lords who represent the Godhead of that particular universe. The aura of the Solar Lords is made up of countless trillions of electronic particles flowing from the heart of the periphery of His particular universe and then returning to their source. This outflow and inflow of energy is referred to in scientific parlance as centripetal and centrifugal force. Thus we see that the inbreath and outbreath of the Solar Logos fills the universe with the Essence of His Being, which is God—hence the statement of Saint Germain—"There is no nook nor corner where the active Presence of God is not."

This Life Essence flows through all that lives, recognized or unrecognized, active or inactive, according to the individual's conscious awareness of Its Presence. These electronic Light particles are the seed of the Universal Light Substance containing intelligence within them, and which one day will become God focuses of self-conscious life in themselves.

Men are self-conscious Flames from God's Heart, projected into this sea of Light Substance, with creative ability through free will, moulding and commanding the body of the Solar Logos into forms of their own making.

JESUS

The Christ is God in action. Every man, woman and child has God within and those who allow the God Principle to flow through them, express the Christ which is not the individual's outer consciousness, but rather that part of life which allows the Godhead to flow freely forth in active expression. *The expression of Christ in the world of men is the Holy Spirit!*

I became aware of the God within Me when I was young in years because in all my actions, there seemed to be an impelling force apart from my conscious self, that directed those actions along constructive lines. Knowing that this living Presence that dwelt within Me was yet apart from my personal identity, I began, as soon as the earth law would permit, to seek the understanding of this propelling power.

Every man, woman and child may cultivate and draw forth this impelling force, although the average man lives so constantly in the "little self" consciousness that the Christ Power is dormant and exerts little influence on the outer actions of the individual. The more awakened the ego has become through previous embodiments, the more alive is this inner Presence and the greater is its influence on the outer consciousness.

SAINT GERMAIN

TRANSMUTATION – TRANS SUBSTANTIATION – DIVINE ALCHEMY, when boiled down to their natural activity, are merely the CHANGING OF THE QUALITY OF ENERGY *CONSCIOUSLY.* All men do this unconsciously, some with constructive results, bringing peace and happiness to the energy of one who is worried or distressed; others with unhappy results, taking the energies of one at peace and by driving discordant feelings into that energy make it literally "boil" . . . and I have seen energy BOIL on many occasions!

BUT—CONSCIOUS TRANSMUTATION of energy is the Activity of the Seventh Ray.

It is the drawing energy into a form (just as a musket is loaded) and then releasing the "spark" by which the energy is released to accomplish the required results. It is scientifically accurate and when students understand this, better results will be forthcoming. If there is no channel (worded decree or visualized form) the energy is not condensed enough to do the work.

ADDRESS BY

BELOVED LORD BUDDHA

August 1953

Beloved Children of the One Eternal God of Light and Life! How magnificent is the intensity of the Light within your souls! That Light enables, from within your own heartbeat, the petals of Spiritual achievement and attainment to unfold from the tightly closed bud in which your Immortal Identity has for century after century slumbered. It has awaited the kiss of the Spiritual Sun that It might arise and, through the inner pressure of Its Own Majestic Dignity, stand forth revealed—the Master Presence of God, choosing to wear for a moment in Eternal Time a garment of flesh; to wear it lightly, and move forward as an Emissary of the King of Kings, carrying Mercy, Light and Love to all manifest form.

I breathe in the fragrance of your own unfolding God Flame. Sweet is its essence in My nostrils, for it is many, many centuries since I have had contact with the outer consciousness of the peoples of earth. It is many hundreds of years since I closed the Book of My earth life and entered into the heart of that Realm of Eternal Peace where it became My obligation, responsibility and service to Life to draw from the Heart of the One Great Father-Mother of you all, that Supreme Love by which universes and planets as well as individual souls and selves are sustained.

Here in the Realm of the Cosmic, I served with little remembrance of the world of form, drawing that Love, breathing in the perfume of the Eternal, absorbing the Radiation of God Himself and, through My own body, directing It then into those who chose to be My Representatives—the dispensers of those Spiritual Currents in the lower atmosphere of earth. Through the Beloved Lord Maitreya, the Beloved Master Jesus, the Beloved Patrick, the Beloved Rama Krishna, and other blessed and dedicated Sons and Daughters of God, I was enabled to make the Nature of God felt. Around those sanctified ones were drawn the lifestreams incarnate who wished to bathe in that One Presence. Within the aura of those, My chosen, did the disciples and the chelas taste of the bliss of Nirvana, the glory of Heaven, and learn something of the way thither. This was as far as I, by Cosmic Law, was permitted to go in endeavoring to reach again the evolution of which you are a part, until one night not so long ago when from China there arose a call for Mercy that came from the hearts of unascended beings, and made a note of sweetness through the cry of pain and agony which represents the sound that the earth and her people release into interstellar space. I heard that call for Mercy and on that very call, on the very music created by that desire for compassion, I

came back into the world of form. Here I shall abide, endeavoring through My own humble radiation to give the assistance of My own lifestream. May it enable each and everyone who has professed by their presence with Us a desire to become a wayshower, to earn that consciousness of peace and balance that abides within the pursuit of the Middle Way, and that infinite power and capacity to convey through the energies of their own lifestreams the Quality and Nature of God to their fellowmen.

Throughout My service to mankind before and after My freedom, I have stressed always the power of radiation as the greatest teacher, the greatest pattern by which man might fashion his individual life. Words are cheap. Millions and millions of words have been spoken and written by sages, saints and teachers from time immemorial. Millions and millions of words have been read by earnest seekers and aspirants, and joined to the accretion in the mental body, adding no whit to the Spiritual stature of the self. But, through the conducting of the qualities of radiation which represent the Nature of the One Eternal God, there is always a way and means by which the millions and billions that belong to this evolution may not only be touched but inspired and awakened from the soul sleep of the ages and again encouraged to place their own feet upon the Path and walk in serenity, in dignity, in balance, and in peace into the Self Mastery which is pre-ordained for all evolving life.

Looking at the descending stream of Electronic Life which forms your heartbeat, the most exquisite melody, the most Divine Music of the Spheres is incorporated in the release of those pure electrons that enter into your heart with such rapidity that millions and millions and millions of them are radiated forth from your body in the matter of one second by mortal count, and every electron comes to you with a song. It comes to you in exquisite beauty of form, containing within itself a pattern which is indicative of your own Individualized God Self. A star, a cross, a dove, a flower, beautiful beyond limit is within everyone of those electrons. If they could only be suspended in their descent for a moment, that your fleshly eyes could look upon them! Within everyone of these electrons is all the potential power by which the Master Jesus healed the sick, raised the dead, transformed darkness into Light, and Himself manifested the Mastery of the Ascension, in the physical presence of 500 incarnate lifestreams!

Look at that Stream of Light, and feel for an instant the potential power that flows through you. Oh, not once in a 24-hour period, not "once in a lifetime," as you say in your world of form, but every instant millions of those electrons qualified with that infinite power pass into the control of your mental and emotional

body, and are absorbed greedily by those inner vehicles, pressed into distorted form, externalized into your own aura, and there remain to be redeemed by your own conscious endeavor one day.

I would like to charge your consciousness with the realization of the power that flows through your heart, containing within itself all the power by which the Universe was created, by which the stars are held in their orbits, and the whirling motion of the planets is sustained in rhythm, and the forward progress of the Galaxy is directed through Universal space. Feel that, Oh Beloved Friends! There is your open door to Freedom! There is your healing, infinite and complete, without requiring that you bend the knee to any man. There is the teacher which will unfailingly direct the intellect and move you forward in the right path through the use of your energy, while yet you remain in the world of form. There is the actual substance which may, at your own discretion, become manifest as the requirement of any hour, for It is intelligent, It is obedient, It is pliable, It is ceaseless in its flow, and there is no limit as to how much you may draw or how you may use it.

I am told by the Brothers that your lifestreams are interested in the blessing of the Elemental Kingdom. It gives Me pleasure to point out to you the obedience that is within Elemental Life, for within that obedience is the key to your conscious control of substance and form. Oh, this great primordial life that fills this Universe is the Body of God Himself, which flows ceaselessly from the Great Central Source of this System. It is elemental, but intelligent life. It is directed by the Great Father of Light Eternal, to respond and obey the consciousness which abides within the hearts and minds of man. This blessed elemental substance, therefore, becomes the servant of your thinking and feeling self, and rushes instantly into the obedient form of that which your mind designs out of the universal life. Then, as your feelings pass through it, it becomes a breathing entity that lives because you have invested it with the power of your own qualified energy.

Beloved Ones! In the use of these Powers of the Sacred Fire, can you not visualize and feel this Light? Let us take for example, your Ring-Pass-Not which in India is used so freely, and which now is coming into use to a limited degree in the Western World. As you within your mind consciously desire the protection from the passing vibrations of the mental and feeling world of mankind, you immediately set up a magnetic pull upon elemental life, and millions and millions of tiny little beings—so infinitesimal that many of them could sit upon the head of one of your pins—respond to that magnetic call and endeavor to outpicture the thought form which you hold of a Tube of Light. They draw around you, standing shoulder to shoulder to enfold you within that living

Tube of Light. That Tube, dear friends, is made up of living intelligences who sacrifice their freedom to dance in the sunshine and play in the grasses, that they may be for you, a mantle of protective force. Have you thought that through? When so lightly you say, "Enfold me now in my Mighty, Magic Electronic Tube of Light," have you thought that intelligent life has chosen, in obedience, to relinquish its freedom and to stand in the questionable safety of your aura? Yet that is so! These blessed beings, at your direction, form a wall and with their own bodies repel and press away from you the thoughts and feelings that flow through the lower atmosphere of the psychic and astral realm which forms the habitation of your flesh.

Then, perchance, if you be endeavoring to experiment with this protective power, you may choose to change the color of this blazing Tube of Light. Through thought force you think of beautiful, electric blue. You know that is the protective power of Beloved Morya's Ray. As your very thought goes forth, every one of these glorious electrons, little Beings of Fire, wearing shimmering robes of Light and holding often within their hands tiny wands of power, immediately become electric blue; and so they stand, until again your thought changes and you call for the pink of Nada's peace, and they clothe themselves in that pink, and radiate it out to give protection.

Oh, beloved ones, there is so much you can experiment with through the creative power of your own thought and feeling in the knowledge that elemental substance is intelligent, it is responsive, it is obedient, and it is delighted to do for you that which is in agreement with the Divine Plan.

How many electrons do you imprison in the course of a day in forms of distortion? Then do you see that when your thought and feeling forces focus together as they do in a cooperative group, or in your own private application, that thought force draws the electrons and the elementals into constructive patterns, and they rush to obey, for they would much rather be incorporated into your Tube of Light, or into the surging Flame of purifying power that blazes through you to transmute your transgressions, than they would be to form a battering ram of anger or jealousy, hatred or resentment, which you drive and drive and drive against a person, place, condition or thing—battering their very heads and bruising their little bodies while they are incorporated in those vicious vortices of thought and feeling forms. Yet, because their law and their life is to render obedience to man, they cannot let go.

You form a group of mankind interested in the elemental kingdom. For this reason I choose to draw the veil aside and show you how magnificent may be your service, how lightly you have

touched even the periphery of the great activity which may yet be manifested through you as individuals, and collectively. In the realm of the astral or the psychic, there are imprisoned in forms which I shall not describe, so many countless billions of electrons—elemental, intelligent beings. It is your opportunity to release them and let them go back into the heart of the Sun, back into the Source from whence they came—for you, too, have been among those who have imprisoned them. You may be their redeemer! Then, as you render that service, and as the inner realms in which mankind move are freed from those pressures, again will come that lightness, buoyancy and happiness which was known in the early ages before the effluvia and mist of thought and feeling of human creation dimmed the Light of the Spiritual Sun, clothed your spiritual faculties in dullness, and made it impossible for you to longer see and talk with the Brothers and Sisters Who are the Guardians of this race, and Who are the Protecting Presences from the Ascended Master Octave.

We do not dwell for any time upon the discords of mankind, lest those of you who are sensitive, eager and desirous of serving good, should become self-condemnatory, because of the part you have consciously or unconsciously played in imprisoning life. However, in order to be intelligent in the service which you have offered, We must show you the opportunity that lies within your call and application. Then, the more joyous and glorious is your opportunity, as you couple visualization and worded decree with the invocation of the Sacred Fire, to create out of the Universal, Temples of Light and Focuses of Flame which shall for all Eternity remain as a living memento to your life in physical form.

Oh, blessed ones, the Power of the Creative Fire within you is so much more intense than you can yet conceive to be possible. Take a group of this number and let them join together, and at the direction and inspiration of the leader, create a thought form which would be a benefit to a group, to a locality, to a nation, to a planet—even to a Master like our Lord Sanat Kumara. As the electrons and elementals filled in your thought form and made of it a living, breathing being, one of the Great, Mighty Angels and Devas might choose to ensoul it, enter it and sustain its light, wearing it as a garment until accomplishment of that for which it was created, could be manifested. It has been done often.

You do not know yet the power that is within your own personal blessing. For instance, many a time, when I walked along the dusty roads in India, when men and women in the sore distress of the outer senses came into My Presence, I rejoiced in the glorious opportunity of invoking a blessing. Many a time as I stood and turned My attention to the God of us all, I felt the sweet onrush of that power which came from Heights inconceivable through

my own feeling world, and surged out into the body and consciousness of the supplicant. Many are the times I have seen an Angel enter into that blessing and go with the one who had asked for it, as he walked again back into his own individual orbit.

Oh, this Universe is filled with Angels, Devas and Beings pressing earthward, endeavoring to find an opening through some heart who chooses to call forth the Blessings of God upon the suffering. They rush through the opening which is made through your thought, your feeling, and even your simple worded, "God bless you." It is not just this human vehicle which you are, which says that word or that phrase. It is the release of the Infinite Power of the Universe, eager and desirous of enfolding the one who requires that blessing. Do you see? You are holding the key to the universal blessings of the Great Cosmic Christ within your own worded expression, your silent gesture of benediction, your thought and your feeling.

I have taught for centuries through the power of radiation, and not through the spoken word. I have endeavored as I have studied your consciousness, to give you in some small measure a way and means by which you too may become radiating centers and, connecting with the Feeling of the Ascended Masters, let that flow forth through your own energies to bless life. Is it a fit balance that the Music of the Spheres that enters into the hearts of men with every heart beat, should go forth again in a scream of pain, a cry of agony and distress? Is it not rather the paramount requirement of the day that the energy that enters the heart in purity, be blessed in love and return to the Universe in a great Anthem of Thanksgiving for the opportunity of the use of life?

How beautiful is the soul that raises its heart to God in gratitude for the Gift of life, of intelligence, for the opportunity that lives within the constant electronic flow of energy into the heartbeat. What could you do without Life? How could you enjoy your friends, your families, your associates? How could you enjoy the beauties of nature and all the glories that have made your experiences on this earth pleasant, if it were not for that flowing Essence which is Life? Father, forgive man that he desires sometimes to shut off the flow of Life, that he is embittered because life in its great kindness and mercy, has considered him fit to abide within the chalice of his physical garment. For know you this, with no uncertainty, while the Presence of Almighty God sustains a physical form, there is a design and plan which can through that form be externalized for the blessing of all. At the very instant the God Intelligence no longer sees an opportunity to expand some portion of Its God Plan through that form, the life flame is withdrawn. There is no happenstance in this release of life—that priceless, precious gift which contains within itself

the power to become Master. It is an eternal proof of the wisdom and kindness of the Universal First Cause that chooses through you, each one, to manifest more of the glory of the Kingdom.

I have stood in that Kingdom. I have stood in the Presence of the God Who made you all. I have gazed at the exquisite perfection of that Being, and, as I come again to earth, I shall with every cell and fibre of my Being, endeavor to convey to those who choose to listen, the nature and love of that God.

I thank you, beloved Children of God, for the unfolding Flame of your own Divinity, for the strength within you that has brought you into Our Presence, for your love of Mercy and Compassion for the rest of life. I thank you for your sensitivity to the presence of the nature kingdom, and I assure you that those who love elemental life will know peace in their own bodies, harmony in their minds, and supply within their own governing use and control—as they continue to bless that kingdom which has given them not only the physical form, but the subtle inner bodies as well. Even your Electronic Body is made up of tiny electrons, little beings drawn from the Sun, who gather around the Flame of Love in the Heart of your Presence, and forego the Freedom of the Realms of Light to provide that shining vestment of Your Immortal I AM Presence. God bless you.

NEW AND IMPORTANT—*The Healing Outline*

OUR GENTLE READER:

By this time you are most likely aware that two lovely Sponsors for the year of 1954 will be our Beloved Master Morya and Beloved Mary, the Mother of Jesus. In order to get the Healing Activity (which is so much a part of Her service to life all thru the centuries) started as soon as possible, She asked the Beloved Sanat Kumara for permission to begin these short healing services (they take about 20 minutes to use) either before or after the regular Healing Service on Tuesday evenings. She was granted this permission and there has been prepared under Her supervision— a "suggested Outline" for such a service. This is now available for mailing to you— if you desire it— at $.25 per copy. Please send stamps if your order is for less than 4 copies.

If you have no such group as yet, perhaps you would be interested in holding this short service yourself, either each morning before beginning the day, or at night before retiring, just so you go thru it once in every 24 hours. You will enjoy it and Her great Healing Power is most surely felt.

The Manager.
